

Massachusetts Chapter raises funds for charity

The Massachusetts Chapter of the National Solid Wastes Management Association (NSWMA) raised more than \$23,000 for Easter Seals Massachusetts during the Waste Industry Leaders Memorial Golf Tournament at the Framingham Country Club. Many chapter members helped organize and sponsor the event.

"The services Easter Seals provides ensure that people with disabilities have an equal opportunity to live, learn, work, and play," Easter Seals President Kirk Joslin said. He added, "Thanks to the organizers and participants in this golf tournament, Easter Seals will be able to provide services to thousands of men, women, and children with all types of disabilities throughout Massachusetts."
