## Organization Narrative

With over 100 attorneys in eight U.S. offices, Beveridge & Diamond P.C. helps clients around the world resolve critical environmental, natural resource, project development, and sustainability issues relating to their facilities, products, and operations.

B&D holds Tier 1 nationwide ratings for environmental law and environmental litigation from U.S. News-Best Lawyers, Chambers USA Guide to the Legal Profession, and Legal 500. B&D was ranked by U.S. News-Best Lawyers as "Environmental Firm of the Year" in 2018 and 2019 and as Law360's Environmental Practice Group of the Year in 2017 and 2018. Vault ranked B&D in 2017 and 2018 as the #1 law firm to work for in the area of Environmental Law. Latinex has named B&D to its list of Latin America's top law international firms annually since 2015.

Our associates get substantive and front-line responsibility, working directly with the firm's principals, clients and technical consultants on unique and challenging environmental issues across the U.S. and globally. In the area of diversity and inclusion, B&D also leads the way. 32% of our principals are women, and 38% of our lawyers are women or minorities. B&D received the Minority Corporate Counsel Association's Vashon Award for Innovation in 2018, and placed in the top 10 for diversity, firm culture, pro bono, and satisfaction among midsize firms in the 2018 Vault Best Midsize Firms survey.

Our Summer Program is the most important element of our recruiting efforts. We hire a small, but exceptional group of law students. We look for a high degree of initiative and the ability to take on substantial responsibility quickly. We expect to make an offer to every Summer Associate who performs well.
