► Runners-up honors also go to a **Beveridge & Diamond** team that got two reversals last week from New York's Appellate Division knocking out proposed class actions lawsuits against the operator of two upstate landfills. The suits, brought on behalf of proposed classes of property owners who live near the landfills, brought public nuisance and negligence claims alleging that odors emanating from them harmed private property rights and property values. **Mike Murphy** argued both appeals for the landfill defendants and was assisted by colleagues **Megan Brillault, John Paul, Katelyn Ciolino, Katrina Krebs** and **James Slaughter**.
