

Alexander Horning

Principal

ahorning@bdlaw.com

+1.202.789.6061

1900 N Street, NW, Suite 100, Washington, DC, 20036

Alex helps clients solve product and project development problems.

His regulatory, compliance, and litigation practice involves product stewardship, reverse logistics, hazardous, medical, and solid waste, Federal Insecticide, Fungicide, and Rodenticide Act, Endangered Species Act, and National Environmental Policy Act issues. Alex works with clients in the pharmaceutical and medical device, pesticides, and energy industries and has extensive experience counseling nationwide coalitions addressing industry challenges.
