+1.415.262.4025

333 Bush Street, Suite 1500, San Francisco, CA, 94104

Charles is a seasoned paralegal who drives complex environmental litigation with deep subject matter knowledge, precision case management, and investigative expertise.

Charles draws on significant experience in mass tort and complex environmental litigation, supporting attorneys across a broad range of federal and state matters, including cost recovery and contribution claims, citizen suits, natural resource damages, and enforcement actions. He efficiently manages large volumes of electronic records and actively identifies, investigates, and analyzes key factual issues.
