600 University Street, Suite 1601, Seattle, WA, 98101-3109

Jessica supports the firm in site remediation and state and federal litigation matters.

Her work includes document review, proofreading, legal and factual research, document/data management, Bluebooking, cite-checking, discovery management, deposition preparation, and conducting court filings.

Prior to joining B&D, Jessica supported the personal injury, medical negligence, and criminal defense practices at other law firms.

Outside of the office, she enjoys traveling, skiing, and spending time with family and friends.
