+1.415.262.4006

456 Montgomery Street, Suite 1800, San Francisco, CA, 94104-1251

Sharon helps clients navigate issues relating to air, climate change, and environmental justice.

Sharon joined B&D after receiving her LLM from Stanford University in 2023. She has a particular interest in international regulations for products compliance and natural resources litigation. Sharon has experience navigating Indian domestic environmental policies such as the Environment (Protection) Act, 1986, and the Air Act, 1981, and international climate change agreements such as the Paris Agreement.

At Stanford, Sharon was a Member Editor of the *Stanford Environmental Law Journal*, a member of the Environmental Law Pro Bono Project, and a research assistant with the Stanford Sustainable Finance Initiative.
